

Jonny Dorais – Production Assistant

Jondorais@gmail.com (408) 655-1572

Portfolio: jondorais.com

-
- ✓ An adaptable and caring team player who's always up to face a challenge and solve a problem
 - ✓ Proactive and positive mindset that soars in creative, fast-paced environments
 - ✓ A former DreamWorks PA who loves animation AND collaborating with others who share that passion
-

Experience

Studio Productions

POST SUPERVISOR and EDITOR – Parker Toons (2023-present)

- ◆ Delegated assignments amongst multiple industry professionals to help create an ambitious 3D Animation short film for the “Parker Toons” YouTube Channel
- ◆ Enthusiastically established curriculums with my producer to teach the animation pipeline to newcomers

PRODUCTION ASSISTANT – *Gabby's Dollhouse, DreamWorks* – CG TV series (2022-2024)

- ◆ Wrote effective designs descriptions from scripts and then assigned them to artists on **ShotGrid**.
- ◆ Made model packs on **Photoshop** in order to bridge the asset and design pipelines.
- ◆ Documented and delivered important storyboard notes from **Syncsketch** to multiple departments.
- ◆ Applied acute attention to detail when calling out assets from animatics onto **Google Sheets**.
- ◆ Emailed employees from various outsourced studios and then unpacked their shipments.
- ◆ Carefully communicated with the Design, Story, Editorial, Animation, and Comp departments with my PC.
- ◆ Instructed interns in and out of my show, mentoring a diverse set of minds as they entered the industry.

PRODUCTION MANAGER – *The Green Ninja Show* – 2D web series (2020)

- ◆ Created schedules and shot lists on Google Drive for a 30+ person crew on one season.

ART PRODUCTION ASSISTANT – *Breakfast*, Spartan Film Studios – Live-Action short (2019)

- ◆ Collaborated with the art department while constructing a realistic set for a 1930's period piece.

Self-Produced Short Films

Forward, CG animated short (2021)

- ◆ Recruited an entire team for a socially-distanced production during quarantine.
- ◆ Conducted effective presentations for weeklies throughout the entire production timeline.

Wacky Towns, 2D animated pilot (2018-2021)

- ◆ Self-started an award-winning cartoon pilot with a crew of over 20 people.
- ◆ Diligently oversaw all of the pilot's scripts, production design, animatics, and animation departments.

Education

Bachelor of Arts in Film Studies | San Jose State University – Dean's Scholar – December, 2019
